

# SO FIVE'S UNIQUE FEATURES

Video recordings of all your games.

Game highlights and player stats.

## Specifically designed to play 5v5

Our fields are FIFA regulated 5-a-side dimensions, with rebound walls and enclosed netting for non-stop games. 5v5 is the most popular form of small-sided soccer and the best to develop player skills.

## Video recordings of your games

When you play at Sofive and you can watch your own video replays right from our website. It's a unique tool to improve your team or just to share the fun with friends & families!

## Live scorekeeping app & digital scoreboards

With our new scorekeeping app and our on-field large TV screens, you can now track your scores and highlight your best moments directly from the palm of your hand.

Sofive ScorePlay App available on [iPhone](#) and [Android](#).

## Game highlights & player stats

Play in our leagues and access your match page directly from the Sofive website ([app.sofive.com](#)) with the highlights of all your goals! You can now assign each goal to the players in your roster to track your stats.

## Spacious & cozy lounge

Watch your kids play on the fields from our spacious and comfortable viewing lounge. Enjoy a hearty snack and a cold drink at our Halftime Bar & Café.

Live scorekeeping app & digital scoreboards.
